

INVITATION

for participation in the conference " Be a mentor, think entrepreneurship "
on May 19, 2016 in the conference room of the Rouse Chamber of Commerce
Street. "Ferdinand" 3A

Start time – 10.30

Dear Sir/ Madam,

On behalf of the First Private School "Leonardo da Vinci" I am pleased to invite you to participate in the conference "Be a mentor, think entrepreneurship," which we organize as a partner in the international project "Gender Equality and Entrepreneurship for All."

We have invited speakers from various fields who will share personal stories and talk about social trends. We anticipate discussions about equality between men and women in social life, differences in labor relations and the reasons for that, as well as on the need to promote women entrepreneurs and other issues.

The international project is implemented by organizations from six countries with the support of the program "Erasmus +". During the conference we will inform you about our future initiatives and the products, which we will create with partners from Romania, Greece, Italy, Spain and Portugal, as well as the way your organization can benefit from the results of the project.

I am convinced that your participation in the conference will contribute to achieving the overall objectives of equality and promoting entrepreneurship.

I am anticipating seeing you at the conference and remain sincerely yours,

Svetlana Harizanova,
Director FPS "Leonardo da Vinci"
project coordinator in Bulgaria
